

**“Dr. Downing  
probably saved  
my life.”**

— Carl Moss  
Surgery Patient &  
Cancer Survivor

When a routine colonoscopy revealed that **Carl** had colon cancer, he was worried and scared. Dr. Christopher Downing, surgeon at Wythe County Community Hospital, quickly alleviated his fears, walked him through his next steps and surgically removed the cancer.

Today, Carl is cancer-free and back to enjoying retired life.
